Hello Ladies and Gents,

I wish all of you a fruitful and prosperous new year of 2014!

It has been reported that the Christmas party was a "bit of fun" and everyone is looking forward to a similar production next year. Seeing the photos it looks like you all had a blast! As some of you know I have had a rotator cuff surgery on my left arm 5 days before Christmas. Thus the reason I was unable to make the Christmas party. Also unable to make the party, Anne and Mike Johnson were in recovery from Anne's surgery. So the Johnson's and the Swonke's will be looking to have a blow out of a Healy Party next year.

We will be voting this Saturday at the January meeting for the Hard Luck award for 2013. Also, your president will be giving the Driver of the year award and the Presidents Appreciation award to selected individuals who have participated in the club throughout the year 2013.

Another bit of news we have to report, is that two of our long standing members, Bob and Bonnie Relick who have faithfully and diligently for 10 years worked behind the scenes as your newsletter editors and web master will be stepping down from their post. We will miss their services and we thank you both from myself and especially the club for your hard work and dedication. You have both given us all a great deal of pleasure in delivering the newsletter for us to read.

In their replacement Dr. Jason Hassenbusch, who you all know and respect, has stepped up to take the torch and proceed on as the newsletter editor and web master. Thank you Jason, we look forward to working with you.

Note on Breakfast meeting Location for Saturday January 11th from Mike Johnson:

The restaurant is located in a strip shopping center across Montrose Blvd from the University of St. Thomas. The parking is guarded by the valet service for the restaurant. I have spoken to the manager of the restaurant in the past and he has agreed to let our Healey drivers park their own cars but it would be nice to thank the valet service with a gratuity for watching over our cars. There is also street parking at that time of day and the restaurant has a gravel parking lot across the side street.
